FIRE COMPANY WELCOMED HAGERSTOWN NEWS GRIST

CITIZENS OF COLUMBIA HEIGHTS DO THE HONORS.
Opening Address by Mr. Charles S. Bundy and Response by Commissioner Macfarland.
The formal exercises of welcome planned by the citizens of Columbia Heights in honor of the members of Truck Company F of the fire department were held yesterday afternoon at 4:30 o'clock at the handsome new truck house on Whitney avenue between 13th and 14th streets. The fine American flag donated by the Columbia Heights Association was presented by Charles S. Bundy, president of the company, and responded to by Commissioner Macfarland. Commissioner Macfarland also made a few remarks. Chief Engineer Dutton and First Assistant Chief Bell were present. There was a large audience gathered in front of the truck house when Mr. Bundy mounted the improvised stand erected on the roof. He spoke of the department and of the present conditions on the hill. In concluding he paid a tribute to the District Government of today. The flag was then presented and hoisted to the top of the tall staff rising from the roof, where it fluttered throughout the afternoon.

Commissioner Macfarland's Response.
Commissioner Macfarland, responding for the company and department, said: "The Commissioners appreciate the interest of the citizens of Columbia Heights in the opening of this new station for protection against fire. It is most fitting that citizens should take a constant and intelligent interest in the fire department and in its means of defense against an insidious and powerful enemy, always ready and always lurking in the shadows of our property. The heroism, self-sacrifice, and constant of the men who take their lives in their hands daily and nightly to protect you and your families from the devouring heart of the heroism of our soldiers and sailors. It draws forth a general interest in the fire department and in its means of defense against an insidious and powerful enemy, always ready and always lurking in the shadows of our property.
